

Rhyme time: Bats are sleeping

Sing to the tune of *Frere Jaques*.

Bats are sleeping,
Bats are sleeping,
Upside down,
Upside down.

Sleeping in the morning
sun.
Waiting for the night to
come.
Then they'll fly all around.
Then they'll fly all around.

The children can pretend to be bats
sleeping while you sing the song.

At the end of the song they can 'wake up'
and pretend to fly around until you start
the song again.

Singing and
reciting nursery
rhymes boosts
children's
language and
literacy skills.

Don't forget:
This is a lovely
rhyme for
Halloween.
